Pullman Sleeping Car from New York to Chicago on express trains daily, Sundays included.

CAN RUPTURE BE CURED? We answer it can, by using **EGAN'S IMPERIAL TRUSS**, having a spiral spring pad, with a graduated pressure movable face, yielding to every motion, retaining the Hernia always, with no pressure on the spine, causing paralysis, spinal and kidney troubles, as other trusses will. And, being a perfect support for the back and bowels, it does away with wearing a double truss in many cases, and varying in size from 1 to 10, enabling us to meet most every case. Worn day and night with ease and comfort. Send for circular containing price list, your neighbours' testimony, and questions to answer. Call, or address, "**EGAN IMPERIAL TRUSS CO.**" 23 Adelaide Street East, **TORONTO, ONT.** Please mention this guide when you write.
